

Now That You're Gone

Halestorm

I can stay!
Up all night I can do what I want
I can party with strangers, I can play my music loud
I can kiss a girl and wear my boots to bed
And drink every fucking thing that I can fit in my head
These are a few of the things I can do now that you're gone, now that
you're gone

I don't have to listen to your complaint
I don't have an awful buzzing going on in my brain
I don't have to pretend to be something I'm not
Cause I'm a nasty little freak and I like it a lot
And the best thing of all, I feel 7 feet tall now that you're gone, now
that you're gone

Oh yeah!
My life is so much better without you
Oh yeah!
I don't care if I ever see you again
No! No! Yeah!

Oh yeah!
My life is so much better without you!
Oh yeah!
I don't care if I ever see you again!
No! Way!

Ahem, repeat after me, I pledge allegiance, to the United State, of L
zzy Fuckin' Hale
And what Lzzy wants, Lzzy gets
Forever and ever, amen

You can't!
Take my money, you can't give me any hell
You can't make me feel guilty for just being myself
You can't steal my phone to check all of my texts
Or roll your fucking eyes at me when I talk about sex
All that's left to say is the mice are gonna play now that you're gone
e, now that you're gone

Oh yeah!
My life is so much better without you!
You can suck me!
I don't care if I ever see you again!
Oh yeah!
My life is so much better without you!
You can suck me!
I don't care if I ever see you again!
No! No! Ow!
