

Pieces

Halestorm

It's so hard, when the roads so long,
You can't see what's in front of you,
Because of tears in your eyes.

You cant let go,
But you cant hold on.
In between all that you had,
And what your trying to find.

But this aching in my heart,
Is pounding in my head,
Reminding of why I'm still here.

'Cause I am the one who was chosen to carry on,
To keep on running,
Why can't you see what I've seen all along?
Get back on my feet again.

It's so wrong when I have to be right,
I wish I could just give up like you can,
But I put on my face,
I continue the fight
And I won't stop 'cause you don't feel like trying.

'Cause this pounding in my heart
It drives me hard!

I am the one who was chosen to carry on,
To keep on running,
Why can't you see what I've seen all along?
Yeah!
With or without you I always will find the strength,
Get back on my feet again.
Get back on my feet again.

This aching in my heart,
Is pounding in my head,
Reminding of why I'm still here.

'Cause I am the one who was chosen to carry on,
To keep on running,
Why cant you see what I have seen all along?
yeah!
With or without you I always will find the strength,
To keep on running, Pick up the pieces again
And turn the page, get back on my feet again.
