

Tokyo

Halestorm

I'm 13 years old
Pennsylvania grown
Today I'm leaving home
On the road to Tokyo (Hey)
Me and little bro
Putting on a show
Shoveling the snow
On the road to Tokyo (Hey)
The only thing I know
Is how to rock 'n roll
The journey's hard and slow
On the road to Tokyo (Hey)

Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo) (Hey)
Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo) (Hey)

In a studio
Tuned guitars down low
Got on radio
On the road to Tokyo (Hey)
Party with Skid Row
And Dio said hello
Got Keifer in my phone
On the road to Tokyo (Hey)
Almost lost control
Turned down all the blow
Eyes set on the goal
The road to Tokyo (Hey)

Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo) (Hey)
Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo)

It's only up from here
It's only up from here

Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo) (Hey)
Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo) (Hey)
Oh
It's a long, long road to Tokyo
(Rock 'n' Roll Tokyo)
