

# WATCH OUT!

Halestorm

Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood, yeah

Hey, I am becoming  
Becoming nothing  
Hey, you made me nothing  
You made me nothing

You sent me spinning in a circle  
With my headlights in your eyes

Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood

Hey, I am becoming  
Becoming something  
Hey, you never saw me  
You never saw me coming

Sent me spinning in a circle  
With my headlights in your eyes

Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood  
Watch out, that bitch is out for blood
