

Severance Pay

Haley Blais

I never thought that I'd be making this song
You're the one who said that you like having a boss
I don't have to give you severance pay since you quit
Now you're running back you're such a dumb hypocrite

And you're standing on the corner
Saying that you'll call
I'm never gonna answer
I won't pick up at all
Everything is fine with me
My end of the line is free

Oh, just give me a sec
Oh, this place is a mess
Oh, I didn't expect to see you again

I never thought that I'd be making this song
You're the one who said that you like having a boss
I don't have to give you severance pay since you quit
Now you're running back you're such a dumb hypocrite

And you're standing on the corner
Saying that you'll call
I'm never gonna answer
I won't pick up at all
Everything is fine with me
My end of the line is free
And you're standing on the corner
Saying that you'll stay
Like it's some sort of skill to put on your resume
Everything is fine with me
My end of the line is free
