

Fish Eyes

Haley Heynderickx

Sailor eyes
On my tongue
Who is above you
Oh I don't know
Fill me with
Your breath again
Rebuild me again

Am I down in the river bed this time
Picking fishheads and eating out their eyes?
Am I down in the dust?

So am I done?
Or is my body
Breaking up with me?

Am I down in the river bed this time
Picking fishheads and eating out their eyes?
Am I down in the dust?

Am I down in the river bed this time
Picking fishheads and eating out their eyes?
Am I down in the dust?
