

# Avery

Haley Joelle

Always creeping on your Instagram  
When I'm bored and don't have any plans  
And I don't think that you understand  
Who I really am  
Cause I see the girls you're following  
And the perfect lives they're living  
And I'm catching myself wondering  
Why can't I be them?

I'm  
Feeling like  
Insecurity  
Is getting the best of me

Sorry that my name's not Avery  
Sorry that I'm not as pretty  
Don't know why I  
Keep apologizing  
Can't keep making myself crazy  
It's crazy

Sorry that my name's not Jenny  
Sorry that I'm not as funny  
Don't know why I  
Keep apologizing  
All because my name's not Avery  
It's crazy, I'm crazy

Yeah you tell me that you're going out  
And I see what your friends post about  
There's someone drunk you got your arm around  
Do you like that crowd?  
Cause I usually keep to myself  
So it feels like you want someone else  
Who can raise a little bit of hell  
I know I hide it well

But I'm  
Feeling like  
Insecurity  
Is getting the best of me

Sorry that my name's not Avery  
Sorry that I'm not as pretty  
Don't know why I  
Keep apologizing  
Can't keep making myself crazy  
It's crazy

Sorry that my name's not Jenny  
Sorry that I'm not as funny  
Don't know why I  
Keep apologizing  
All because my name's not Avery  
It's crazy, I'm crazy

Not Avery

Not Avery  
Not Avery  
All because my name's not Avery  
It's crazy, I'm crazy

Not Avery  
Not Avery  
Not Avery  
All because my name's not Avery  
It's crazy
