

# Proof

Haley Joelle

Karaoke, Friday night  
It's a birthday, I can't cry  
It's the first time that I've seen my friends in two months  
'Cause I thought that we would last  
That you'd meet them when you're back  
So no one knows what really happened, it was so much  
Why'd you tell me that you loved me  
Right before you fled the country?  
I wish nobody would ask me how I've been  
'Cause then

I'm catching up another friend  
On somebody who came and went  
I know I sound insane but I was crazy about you  
There weren't any witnesses and barely any images  
So how do I convince them it's the truth?  
You stole my heart but I don't have the proof, mmm

I have the minutes on my phone  
All those drives you took me home  
Dinner with your family  
Only means something to me  
You can't tell me how I felt  
But it's getting hard to tell  
'Cause I heard that you're with someone else  
And I'm still back here by myself

Catching up another friend  
On somebody who came and went  
I know I sound insane but I was crazy about you  
There weren't any witnesses and barely any images  
So how do I convince them it's the truth?  
You stole my heart but I don't have the proof, mmm

Mm, mm  
Mm, mm  
Mm, mm  
Mm, mm  
Mm, mm  
Mm, mm

You never said the reasons why  
And only you can testify  
I've been telling everyone the truth  
You stole my heart but I don't have the proof  
No, I don't have you
