

Baby It's You

Haley Reinhart

It's not the way you smiled that touched my heart
And it's not the way you kiss that tears me apart
Woah

Many, many, many nights go by
I sit alone at home and cry
Over you
What can I do?
Don't want nobody, nobody

Baby, it's you
Baby, it's you

Is it true what they say about you?
When they say you never ever be true
Woah

Doesn't matter what they say
I know I'm gonna love you any old way
What can I do?
Without you
Don't want nobody, nobody

Cause baby, it's you
Baby, it's you

Hey babe
It doesn't matter what they say
I know I'm gonna love you any old way
What can I do without you?
Don't want nobody, nobody

Baby it's you
Baby it's you
Sha la la la

Baby
Oh, come on over
Baby it's you
Baby it's you
Now you know I need your lovin'
You know what [?]

Baby it's you
Baby it's you
Well, baby it's you
