

Behave

Haley Reinhart

I like you cause you're in your own little world
And I like you cause you tell me I'm your pearl
Sometimes I scream out at night, wantin' more of your love
Funny how time flies when I just can't get enough

How deep can you go? Cause I just can't get enough of you, fall
in'

Kisses for breakfast and lunch, that's when you take it downtown
Dressed up, a dinner for two, take it off for dessert now
Champagne and roses, it's true, you sure make me wanna
Come home and cling onto you, ooh fallin', fallin'

How deep can you go? Cause I just can't get enough of you, fall
in'
How deep can you go? Cause I just can't get enough of you, fall
in'

Hey, I can't get enough, can't get enough
Ooh, I can't get enough, can't get enough

A guy like you could make me forget the rest of 'em
You put it down better than the best of 'em
A guy like you is all I need to keep me happy
You lay it down, have me beg: "Give me more, please, please, please!"
A guy like you could make me forget the rest of 'em
You put it down better than the best of 'em
A guy like you is all I need to keep me happy
You lay it down, you have me begging: "More, please, please, please!"

Waking up in a daze, I come to find you're not here
You never were, it figures, why can't I find a guy like you?
A guy like you, a guy like you
A guy like you, a guy like you
A guy like you, a guy like you
