

# Don't Know How to Love You

Haley Reinhart

Sunny day in all its glory  
Hot as the 4th of July  
The wind came in  
And graced my face  
And it led me to your eyes

Something told me  
I'd be seeing you again  
But for some reason I still cried  
Now years have gone by  
I'm still by your side  
But there's something on my mind

Oh  
Seems like it don't matter  
If I'm speaking my truth  
Or hiding some to protect the lie  
And at the end of the day  
You still have something to say  
Can't get the blues off your mind

I  
I don't know  
I don't know how  
I don't know how to love you

Oh I  
I don't know baby  
I don't know how  
Said I don't know how to love you

In the morning  
I reach for your embrace  
'Cause I know that you need mine  
And I want you to know  
It can stay this way  
Till the end of our lives

Oh  
There've been many many times  
When my words get all tangled up all on the floor  
Oh yeah, but I beg of you that you trust in me  
That I will always be here to give you more and more and more and more  
More more more

I  
I don't know  
I don't know how  
Said I don't know how to love you

Oh I  
I don't know  
I don't know how  
Said I don't know how to love you

Oh oh oh oh

I  
I don't know  
I don't know how  
I don't know how to love you

Oh I  
I don't know  
I don't know how  
Now I don't know how to love you
