

## Good or Bad

Haley Reinhart

Caught somewhere between a nightmare and a dream  
Not sure whose game it is or what it all even means  
Not sure who to be, do you want the good or bad of me? Mmm

Not sure what you expect to find  
But I'm certain I can change your mind  
You ask what kind of girl am I?  
Well do you want the good or bad kind?

You know I'd stay, every morning, every evening  
Boy I'd stay, just as long as you can please me  
Boy I'd stay, wrap myself around your body, can't let go  
Ooh, you make it hot, hot, baby come on

I can be as sweet as a summers day  
Forfeit your fantasies once I whisper your name  
Here you come running one more time  
Mister, do you want the good or bad kind?

You know I'd stay, every morning, every evening  
Boy I'd stay, just as long as you can please me  
Boy I'd stay, wrap myself around your body, can't let go  
Ooh, you make it hot, hot, baby come on

You know I'd stay, every morning, every evening  
Boy I'd stay, just as long as you can please me  
Boy I'd stay, wrap myself around your body, can't let go  
Ooh, you make it hot, hot, baby come on

Ooh, you make it hot, hot, baby come on [x4]

Stay, wrap myself around your body, can't let go  
You make it hot, hot, baby come on

You know I'd stay, every morning, every evening  
Boy I'd stay, just as long as you can please me  
Boy I'd stay, wrap myself around your body, can't let go  
Ooh, you make it hot, hot, baby come on [x2]
