

# How Dare You

Haley Reinhart

Like a snake in the water  
Nothing is what it appears to be  
If you've come to bite me once again boy  
You've got another thing coming

All my friends come and ask me  
Why the hell are you so polite  
I tell 'em don't you's worry bout a thing  
You see the venom will come and get 'em in good time

Everything I thought I knew  
Watch it all go down the drain  
Too soon, too soon  
All the things you said were true  
Weren't true, how dare you  
How dare you

There you go playin' the martyr  
Down on your knees for all to heed  
Gather round down in the quarter  
Those wounds, they don't look too real to me

Now your fate is sealed in cellophane  
Transparent as the Dead Sea  
Nothing can stop you from going under  
Once your lies have been set free

Everything I thought I knew  
Watch it all go down the drain  
Too soon, too soon  
All the things you said were true  
Weren't true, how dare you

Hey wait, won't you say your sorry  
For the things you've done to me  
You've done to me

Hey wait, won't you say your sorry  
All the things you've done to me  
You've done to me

Everything I thought I knew  
(Hey wait, won't you say your sorry)  
Watch it all go down the drain  
(All the things you've done to me)  
Too soon, too soon  
(You've done to me)  
(Hey wait, won't you say your sorry)  
All the things you said were true  
(All the things you've done to me)  
Weren't true  
(You've done to me)  
How dare you  
How dare you  
How dare you  
How dare you  
How dare you  
How dare you
