

# I Belong to You

Haley Reinhart

Such a feeling of bitterness when you're taking over me  
Like a bird in the clouds, I could fly when you're touching me

There's no way to explain  
So I'd rather dig in, I wanna dig in  
Trace your skin with my lips  
Until you give in, until you give in

I think it's clear to see  
You belong to me, oh  
If what we had was true  
I belong to you, I belong to you

Every time that we kiss it's like heaven and hell collide  
One minute I hold back and the next I get butterflies

There's no way to explain  
So I'd rather dig in, I wanna dig in  
Trace your skin with my lips  
Until you give in, until you give in

I think it's clear to see  
You belong to me, oh  
If what we had was true  
I belong to you, I belong to you

Ohh, don't wake me up  
Baby if I'm dreaming, don't you wake me up  
Baby if I'm dreaming, don't you wake me up  
Baby if I'm dreaming, don't you wake me up (Don't wake me up)  
Don't you wake me up, don't you wake me up, don't you wake me u  
p

I think it's clear to see
