

# Oh Damn

Haley Reinhart

Walked so long  
To find my baby  
Through the desert winds to the clearest Lake of Michigan  
Had my time in the bayou, wish I was beside you  
I don't wanna wait my whole life to find you  
Time to toss out all those tissues I cried through

Singing  
Oh baby  
Damn baby

I work so hard  
They call me crazy  
Tryna get on the scene so my sugar and cream can see me  
Hop on a greyhound to a flyover town  
Damn, I hope your down to pick me up  
And driver winks and smiles at me and says, "Kid, good luck"

Singing  
Oh baby  
Damn baby

Now if I find you in this lifetime  
It better be the right time  
Maybe I'm tryin' and tryin', I'm tryin' too hard  
Should I just close my eyes and pray

Singing  
Oh baby  
Well damn baby oh  
Singing  
Oh baby  
Damn baby baby baby baby baby  
Singing  
Oh baby baby baby baby  
Singing  
Damn damn damn baby
