

Shook

Haley Reinhart

I wake up in a cold sweat
Shoot, I feel like trash magic
Knew it was a dangerous idea
I'm in trouble now

Can't stand up
Walls spin around
Bloodshot eyes
Can't see the ground
Flipped my world upside down
I'm in trouble now

Yeah I like you
And it's got me shook
I like you
Yeah you got me hooked

Come to me
Come to me
Come to me
Baby won't you ring me out

(I like you)

I can't stop this dirty linen
Shakin' my head from left to right
Just throw me in the wash baby
'Cause it's been a night

This drunk heart palpitates
Makes me shake to the beat
To underneath the sheets
And we ain't gonna sleep

Shorten my breath
Feelin' it in my chest like uhh
Hope it never leaves

Yeah I like you
And it's got me shook
I like you
Yeah you got me hooked

Come to me
Come to me
Come to me
Baby won't you ring me out

I like you
And it's got me shook
I like you
Yeah you got me hooked

I like you
And it's got me shook
I like you
Yeah you got me

I like you
And it's got me shook
I like you
Yeah you got me hooked

Come to me
Come to me
Come to me
Baby won't you ring me out

(I like you)
Shook
(I like you)
Hooked
I like you
Shook
(I like you)
You like it?
