

## Hedley Verityesque

Half Man Half Biscuit

Found a nice little cove  
Where nobody else goes  
Took a trip round the Caves of Drach  
And said: ???It???s good to explore the more cultural aspects???  
Hedley Verityesque  
She passed into folklore  
Trode on the lines in the pavement  
And said: ???There???'s no room for enigmas in built up areas???  
Sweats who think they???re hard  
(Sweats who think they???re hard)  
My head no end do in  
(Head no end do in)  
Brakes fail in the rain  
Down memory lane  
Come re-live my paper round with me  
And I don???t see any more  
(I don???t see any more)  
Pent up Alsatians  
They used to wait by the door  
And say: ???It???'s nice to know you???re here it???'s nice to know you  
???re here???  
And I don???t want any more  
(I don???t want any more)  
Stark German film noirs  
And I could well do without  
The hand-clapping sequence at the end of Blockbusters  
You were in my hall  
Now you???re on my wall  
Peter Sarstedt, Mr Irony  
Get in the hole  
In some warm lagoon  
(In some warm lagoon)  
I???ll be with Ayshea soon  
(Be with Ayshea soon)  
Brakes fail in the rain  
Down memory lane  
Come re-live my paper round with me  
And I don???t see any more  
(I don???t see any more)  
Big mad Alsatians  
They used to wait by the door  
And sing: ???It???'s nice to know you???re here, it???'s nice to know you  
ou???re here???  
And I don???t need any more  
(I don???t need any more)  
Stark German film noirs  
And I could well do without  
The hand-clapping sequence at the end of Blockbusters  
When all of the audience try to convince themselves  
That what they are doing is silly but acceptable  
And the only thing I can say is: ???Oh Kip Keino???
