Half Man Half Biscuit

Half past four? Half past four?  
You said half past ten to us  
No dry ice? No dry ice?  
Hey Jason, they've got no dry ice  
There is no way on earth  
They should be on after us  
Five k? Five k?  
They can't even play their instruments

Listen squire, who d'you think  
Sold this thing out anyway?  
Them lot there? Them lot there?  
They haven't even got an album out  
Sound man, sound man  
We've got our own sound man  
CND? CND?  
We're not going on after Chas'n'Dave  
I don't care, I don't care  
Hello boys, there's a change of plan  
You're going on after Crispy Ambulance
