Half Moon Run

You're so much better at everything
And I sink lower in my chair, there's no compare

I adore you
Ooh, I adore you
I came first, but you're ahead, ahead beyond your years
People try, they try to find this thing you've always been
I adore you
Ooh, I adore you

When you pray, you're answered
You walk through life just like a dancer
If I had my way, every day would be your parade
When you pray, you're answered
You walk through life just like a dancer
If I had my way, every day would be your parade

Ooh, I adore you
Ooh, I adore you
And I pray, pray you never lose your star
I'm so proud, proud of all that you are
Ooh, I adore you
Ooh, I adore you
I adore you
Ooh, I adore you

When you pray, you're answered
You walk through life just like a dancer
If I had my way, every day would be your parade
When you pray, you're answered
You walk through life just like a dancer
If I had my way, every day would be your parade

Ooh, I adore you
Ooh, I adore you
Ooh, I adore you
Ooh, I adore you
And I pray, pray you never lose your star
I'm so proud, proud of all that you are
Ooh, I adore you
Ooh, I adore you
I adore you
Ooh, I adore you

Mouth starts to movin', I will not stop 'cause I'm
Mouth starts to movin', I will not stop 'cause I'm
Mouth starts to movin', I will not stop 'cause I'm
All the way live with so much juice, so
Mouth starts to movin', I will not stop 'cause I'm
Mouth starts to movin', I will not stop 'cause I'm
Mouth starts to movin', I will not stop 'cause I'm

Ooh, I adore you
Ooh, I adore you
Ooh, I adore you
Ooh, I adore you
Ooh, I adore you

Mouth starts to movin', I will not stop 'cause I'm
All the way, all the way, all the way, all the way
Mouth starts to movin', I will not stop 'cause I'm
Stick 'em, stick 'em, stick 'em, stick 'em
Mouth starts to movin', I will not stop 'cause I'm
All the way, all the way, all the way, all the way
Mouth starts to movin', I will not stop 'cause I'm

Ooh, I adore you

Ooh, I adore you
