Call Me In The Afternoon

Half Moon Run

You can have it if you don't mind some or all the others stay w ith me You confuse me with your riddles and your sudden generosity Call me in the afternoon even by one by one (2x) You can have it when you come by, you can have yourself a oneman way I saw you when it caught your eye and it's such a petty price t o pay Call me in the afternoon even by one by one (2x) Take one if you need it but you really shouldn't be out this la te Really really really ... wanna make you feel home Take one if you need it but you really shouldn't get this fucke d up Really really really ... wanna get it to you Slide another shot by and wipe your dirty hands on me Swallow till you go blind and find a little company Call me in the afternoon even by one by one (2x) Take one if you need it but you really shouldn't be out this la te Really really really... wanna make you feel home Take one if you need it but you really shouldn't get this fucke d up Really really really ... wanna get it to you After all, when I listen, it could be you, could be anyone that I want now
