

Look Me in the Eyes (Skitstövel)

Half Moon Run

You won't look me in the eyes
You won't look me in the eyes
You won't look me in the eyes
You won't look me in the eyes
You act so unsurprised
You won't look me in the eyes (You don't have to understand what I'm
going through)
You won't look me in the eyes
You won't look me in the eyes
You act so unsurprised
You won't look me in the eyes (You don't have to understand what I'm
going through)
You won't look me in the eyes
You won't look me in the eyes, you won't

Don't look surprised
You don't have to understand what I'm going through
You won't look me in the eyes, you won't
Don't act surprised
You don't have to understand what I'm going through
You won't look me in the eyes, you won't

Skitstövel!
Skitstövel!

You by the fireside
Me in the kitchen cookin'
You shut the door between us
Could hear your phone keep ringing

Don't look surprised
You don't have to understand what I'm going through
You won't look me in the eyes, you won't
Don't look surprised
You don't have to understand what I'm going through
You won't look me in the eyes

Skitstövel!
Skitstövel!

You hide your lies with
This new disguise
You've been trying on for size
You won't look me in the eyes
I recognize
I was, was hypnotized
And you looked so unsurprised
You won't look me in the eyes
