half•alive

No one ever puts baby in a corner
Don't you take me out of this one
I want you to wrestle
You told me to let go
I'm not looking for the end
Just avoiding all the edges, am I so wrong?
I'm tryin' not to get lost
I'm tryin' to wake up (Oh)

How am I supposed to know
If I don't notice beauty is a bullet?
(I cannot contain it for long)
I need to scream without reservation
The chase ain't enough

I need your love
I need your love
Like blood, like dreams
Like air to breathe deep, I need your love
Like blood, like dreams
Like air to breathe deep, I need your love

I put my best foot forward, out of order, now I'm older tryna get up
You spoke from the stillness
I'm dying to move
Back when we was in the kitchen
You were dancin' while we listened
To the music from the speaker on the table
I was thinkin', and I said, "Love
I'm tryin' to wake up" (Oh)

Keep swimming when we pass the fence
Keep swimming when we pass the fence
It gets better when we pass the fence
(I cannot contain it for long)
Does God see the pain in this?
I begin to lose my faith in it
(The chase ain't enough)

It ain't enough, I need your love
I need your love (I need your love)
Like blood, like dreams
Like air to breathe deep, I need your love
Like blood, like dreams
Like air to breathe deep, I need your love
Like blood, like rest, like dreams
Like air to breathe, I need your love
Like blood, like dreams
Like air to breathe deep, I need your love

Oh, oh, I need your love
(La-la-la-la) Ah-ah-ah, I need your love
(La-la-la-la) I need your, need your love (I need your love)
(La-la-la-la)
