

Far too great a toll it's played on me  
The animal of destiny  
I have seen it from afar  
Saw its teeth and felt its claws  
Felt it ripping me apart  
To find my place among the stars

Far too great a toll it's played on me  
The poll of popularity  
Trying to squeeze into a mold  
Just an actor in a role  
But I'm through with being you  
I know it's okay to be me

It's okay  
Is it okay?  
It's okay  
Is it okay?  
(Through with being you)  
(I know it's okay being me)

How great a joy it is to see  
This hidden gold in dried up streams  
I'll grow in this discovery  
And rest in what it'll bring

It's okay  
Is it okay?  
It's okay  
Is it okay?

(Far too great a toll it's played on me)  
Far too great a toll it's played on me  
(Far too great a toll it's played on me)  
Well at first I was too blind to see  
Far too great a toll it's played on me  
The animal of destiny  
I have seen it from afar  
Saw its teeth and felt its claws  
Felt it ripping me apart  
To find my place among the stars

It's okay  
Is it okay?  
It's okay  
Is it okay?  
It's okay  
Is it okay?  
It's okay  
Is it okay?

Far too great a toll it's played on me
