

Coming over the hill  
Of a lapse in clarity  
Looking at a town made out of temporary things  
At the end of the day  
When my soul is all but sold  
Thinking 'bout the things I miss the most

Singing songs with you  
And trying to remember  
Every harmony  
Wringing out the past  
The time we get is merciless  
So when we are together  
Let it be infinite  
While it lasts  
While it lasts

I've been spending my time  
Soaking in the sun  
Watching how the daylight hits each particle of dust  
Maybe life is a train  
Destination unknown  
Don't know what you've got until it goes

Singing songs with you  
And trying to remember  
Every harmony  
Wringing out the past  
The time we get is merciless  
So when we are together  
Let it be infinite  
While it lasts  
While it lasts

Singing songs with you  
And trying to remember  
Every harmony  
Wringing out the past  
The time we get is merciless  
The moment ain't forever  
Let it be infinite  
While it lasts  
While it lasts
