

# The Fall

half•alive

These words are supposed to be simple  
But it seems that's not the case  
This page is staring back at me  
I'm afraid to put a mark on its face

Oh, I'm just trying to introduce you  
To this idea that I've grown used to  
It's like sharing a dream with someone  
Once you say it out loud it can't be undone

I jump off and into your arms  
But I can't trust the fall  
Take my voice, I'm giving it though  
I don't feel safe at all  
(I can't trust the fall)

It's like waking up in surgery  
I can't seem to see right past the lights and I'm  
So scared to take a knife to my chest  
Let you see the heart that's inside

Oh, I'm just trying to introduce you  
To this idea that I've grown used to  
It's like sharing a dream with someone  
Once you say it out loud it can't be undone  
Once you say it out loud it can't be undone  
(I can't trust the fall)

I jump off and into your arms  
But I can't trust the fall  
Take my voice, I'm giving it though  
I don't feel safe at all  
I jump off and into your arms  
But I can't trust the fall  
Take my voice, I'm giving it though  
I don't feel safe at all  
  
(I can't trust the fall  
I can't trust the fall  
It's like sharing a dream with someone  
Once you say it out loud it can't be undone  
I can't trust the fall)

(I can't trust the fall)  
I jump off and into your arms  
But I can't trust the fall  
(I can't trust the fall)  
Take my voice, I'm giving it though  
I don't feel safe at all  
(Don't feel safe at all)  
I jump off and into your arms  
But I can't trust the fall  
Take my voice, I'm giving it though  
(I can't trust the fall)  
I don't feel safe at all  
  
It's like sharing a dream with someone

Once you say it out loud it can't be undone  
I can't trust the fall
