Dynamite

Halflives

Hello, how you been?
D'you feel alright?
How am I supposed to win if I don't wanna fight?
Can you let me in?
Don't wanna go
Been staring at the walls for days and nowhere feels like home

Now I gotta confess I'm a mess lately
And I don't feel strong
I'm walking with the dead in my head, baby
And I just can't stop

She lights me up like dynamite and it's
The only thing that makes me feel alive
She lights me up like dynamite and and
I don't know if I'll make it out alive

She lights me up like dynamite and it's
The only thing that makes me feel alive
She lights me up like dynamite and and
I don't know if I'll make it out alive
I will make it out alive

I won't make it out alive
Wonder how she feels
Now that I'm gone
She doesn't know what sorry means and this is why I'm done
Think I need a hug
I need a friend
Never been so lost, right now I really need my bed

Now I gotta confess I'm a mess lately
And I don't feel strong
I'm walking with the dead in my head, baby
And I just can't stop

She lights me up like dynamite and it's
The only thing that makes me feel alive
She lights me up like dynamite and and
I don't know if I'll make it out alive

She lights me up like dynamite and it's
The only thing that makes me feel alive
She lights me up like dynamite and and
I don't know if I'll make it out alive
I will make it out alive

I won't make it out alive
And I'm tired of feeling this way
I think I wanna disappear
(Just let me disappear)
And I'm tired of feeling this way
How did I end up back here?
(Let me go)

Hello, how you been?
D'you feel alright? (No)

How am I supposed to win if I don't wanna fight?

She lights me up like dynamite and it's
The only thing that makes me feel alive
(Makes me feel alive)
She lights me up like dynamite and and
I don't know if I'll make it out alive
I won't make it out alive
(She messed me up, she fucked me up, she broke my heart)
No, no, no, no, no
(She messed me up, she fucked me up, she broke my heart)
You messed me up for good this time
I won't make it out alive
