

Hard To Break

Halfives

Every time I fall you know I feel it
But no, you won't keep me down
I'm lost in a thousand lights
You made me believe I don't belong here
Just give me back my crown
I'm fed up of all your lies

So now I'm gonna tell you why I'm better
Hit me, I'll be harder than ever
Can't you see that I won't let go
Shut up and spare me your lecture
Crush me, I'll resist under your pressure
Can't you see that I won't let go
(You heard me right?)

'Cause I'm hard to break
And I'm here to stay
Woah, I've had enough of keeping my calm
Singing oh-oh-oh-oh
Gonna stand up tall
Oh, I've had enough of keeping my calm
And keeping my head down

Every time you talk I get this feeling
Like I don't know myself
The worst that I've ever felt
But then I noticed my band is in your playlist
I hope you listen to nothing else
Until it drives you mad

So now I'm gonna tell you why I'm better
Hit me, I'll be harder than ever
Can't you see that I won't let go
(Oh, you're not good enough?)

'Cause I'm hard to break
And I'm here to stay
Woah, I've had enough of keeping my calm
Singing oh-oh-oh-oh
Gonna stand up tall
Oh, I've had enough of keeping my calm

And now hear me singing oh-oh-oh-oh
Gonna stand up tall
Oh, I've had enough of keeping my calm
And keeping my head down

So watch me rise above it all
Wrong or right, doesn't matter anymore
Time to get up from the bathroom floor
Gonna stand up tall

'Cause I'm hard to break
And I'm here to stay
Woah, I've had enough of keeping my calm
So I'll keep singing oh-oh-oh-oh
Gonna stand up tall

Oh, I've had enough of keeping my calm

Singing oh-oh-oh-oh

Gonna stand up tall

Oh, I've had enough of keeping my calm

And keeping my head down
