

Baby

HalfNoise

There goes my baby, baby
There goes my baby, baby

I don't wanna go to sleep
Even if you're in my dreams
I don't wanna be without baby
I don't wanna go to sleep
Even if you're in my dreams
I don't wanna be without baby

There goes my baby, baby
There goes my baby, baby

I don't wanna go to sleep
Even if you're in my dreams
I don't wanna be without baby
I don't wanna go to sleep
Even if you're in my dreams
I don't wanna be without baby

There goes my baby, baby
There goes my baby, baby

I don't wanna go to sleep
Even if you're in my dreams
I don't wanna be without baby
I don't wanna go to sleep
I don't wanna go to sleep
I don't wanna be without baby
Baby, baby
