

# Coast

HalfNoise

The water arise  
There's no way to stop  
The ground lost our feet  
There is no way to stop

Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened

If all this takes time  
There's no way to stop  
The ground lost our feet  
Oh there's no way to stop

Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened

If all this time  
You never, you never  
If all this time  
You got it back  
You got me back

The water arise  
There's no way to stop  
The ground lost our feet  
There's no way to stop

Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened  
Oh oh oh oh oh oh  
Your eyes to be opened
