

Always in the shower  
Where everything matters up here  
I don't know why  
I'm looking out the window today

Why does it matter?  
Why does it matter to you?  
Why does it matter?  
Why does it matter to you?

Always and forever  
I'll hold your flowers for you  
Don't go inside  
Or lose your mind

Why does it matter?  
Why does it matter to you?  
Why does it matter?  
Why does it matter to you?

Woo!

La la la la la la

I know it's hard sometimes  
I know it's hard sometimes  
I know it's hard sometimes

Does it matter to you?  
Does it matter to you?
