HalfNoise

Oh boy, was I wrong  
Innocence all gone  
I'll go for how long  
Do you you want to go on  
'Cause my love was innocent  
Your love just wasn't  
Oh damn, I don't love  
Everything, oh  
Sometimes I just cry and cry  
You know, yeah you know why  
'Cause my love was in your hands  
Now it's thrown out again

So get gone  
So get gone  
So get gone

So typical, well I know  
Here it goes, oh oh  
The magic spell, well, don't try  
You won't fool me this time  
'Cause my love was in your hands  
Now it's thrown out again

So get gone  
So get gone  
So get gone

I loved you  
But no, no, no  
No, no, no  
I loved you  
But no, no, no

So get gone  
So get gone  
So get gone  
So get gone  
So get
