

# Leaving

HalfNoise

I, I, I, I, I feel it's right  
You, you, you, you, you by my side  
No, no, no, no, don't say goodbye  
Like you always do

Leaving, leaving  
It's hard to tell you mean it, mean it  
Don't tell me I'm dreaming, dreaming  
Then turn around and leave me, leave me

I needed time  
You, you, you, you, you ask me why  
Oh, oh, oh, 'cause you say goodbye  
Like you always do, oh

Leaving, leaving  
It's hard to tell you mean it, mean it  
Don't tell me I'm dreaming, dreaming  
Then turn around and leave me, leave me

Leaving, leaving  
It's hard to tell you mean it, mean it  
Don't tell me I'm dreaming, dreaming  
Then turn around and leave me, leave me
