

Love Fire

HalfNoise

What I came here to tell you
All I here to say is - baby
It's what I came here to tell you
It's all I came here to say

Believe me
You got what I need
You could free me
I'm set on fire by your love
I'm on fire for your love
Ooh, believe me
You got what I need
You could free me
I'm set on fire, I'm on fire
I'm on fire, I'm on fire, I'm on fire for your love
I'm on fire, I'm on fire, I'm on fire for your love

You don't have to worry, baby
You won't ever be without me
You don't have to scurry, baby
You should only live your dreams
You don't have to worry, baby
You won't ever be without me
You don't have to scurry, baby
You should only live your dreams

Please, believe me
You got what I need
You could free me
I'm set on fire by your love
I'm on fire for your love
Ooh, believe me
You got what I need
You could free me
I'm set on fire, I'm on fire
I'm on fire, I'm on fire, I'm on fire for your love
I'm on fire, I'm on fire, I'm on fire for your love

Please, believe me
You got what I need
You could free me
I'm set on fire by your love
I'm on fire for your love
Ooh, believe me
You got what I need
You could free me
I'm set on fire, I'm on fire
I'm on fire, I'm on fire, I'm on fire for your love
I'm on fire, I'm on fire, I'm on fire for your love

Love fire...
