

# Straight Up

Halifax

Lost in a dream  
Don't know which way to go  
And if you're all that you seem  
Baby I'm moving way too slow

'Cause I've been a fool before  
Wouldn't like to get my love caught  
In the slammin' door  
How about some information, please

Straight up now tell me  
Do you really want to love me forever, oh oh oh  
Or am I caught in a hit and run

Straight up now tell me  
Is it gonna be you and me together, oh oh oh  
Or are we just having fun

Time's standing still  
I'm waiting for some small clue  
And I, I keep getting chills  
When I think your love, when I think your love is true

'Cause I've been a fool before  
Wouldn't like to get my love caught  
In the slammin' door  
How about some information, please

Straight up now tell me  
Do you really want to love me forever, oh oh oh  
Or am I caught in a hit and run

Straight up now tell me  
Is it gonna be you and me together, oh oh oh  
Or are you just having fun

You are so hard to read  
You play hide and seek  
With your true intentions  
And if you're just playing games  
Then I'll just have to say

Do, do you love me?  
Do, do you love me?  
Do, do you love me?

Do, do you love me?  
Do, do you love me?  
Do, do you love me?

'Cause I've been a fool before  
Wouldn't like to get my love caught  
In the slammin' door  
Are you more than hot for me  
Or am I a page in your history book  
I don't mean to make demands  
But the word and the deed go hand in hand

How about some information, please

Straight up now tell me  
Straight up now tell me  
Straight up now tell me

Straight up now tell me  
Straight up now tell me  
Straight up now tell me

Straight up now tell me  
Do you really want to love me forever  
Or am I caught in a hit and run

Straight up now tell me  
Do you really want to love me forever, oh oh oh  
Or am I caught in a hit and run

Straight up now tell me  
Is it gonna be you and me together, oh oh oh  
Or are we just having fun
