You need to make it on your own You wanna shake it, do it alone Whatever happened, I did alright by you

I can feel the passion girl, it's still as strong Though the places have turned around Oh, I can be the one to wait You take the easy way out I'm no one to doubt

(If that ain't enough for you)
Ain't enough for you, go solo
(You can take the lead)
Play a brand new part, go solo, solo

You say there's trouble in Paradise
I'm only joking but you better be right now
Whatever happens, there ain't no turnin' 'round

And I can understand you need to find yourself Make a way without any help
Oh I can be the one who waits
To take the only way out
I'm no one to doubt

(If that ain't enough for you)
Ain't enough for you, go solo
(You can take the lead)
Play a brand new part, go solo, solo

I don't mind, your flying blind Just shake it up and take it to the break this time Shake it up and take it to the break this time, this time, oh Shake it up and take it, shake it up and take it girl

(If that ain't enough for you)
Ain't enough for you go solo, go solo
(You can take the lead)
Play a brand new part go solo
I could do good somehow

(If that ain't enough for you)
Ain't enough for you go solo, oh girl
(You can take the lead)
Play a brand new part
Go solo

Shake it up and take it Shake it up and take it

(If that ain't enough for you)
Ain't enough for you go solo
How could you go solo
(You can take the lead)
Play a new part go solo, ooh

(If that ain't enough for you)
Ain't enough for you go solo, solo
