

I'm Sorry

Hall & Oates

Why don't you write me
Call me on the phone
Say Western Union
You can find me home

I say, I'm sorry
I said, I'm sorry

You know I bled you
Led you on a lie
You say I fooled you
Who's the fool tonight

I say, I'm sorry
I said, I'm sorry

High love in motion
Walking on the ocean of your sorrow
(Oh, of your sorrow)
Round turned the tables
Lost, I am a man with no tomorrow

You know the lopsided lovin'
Got me in the end
Looks like I'm done in
Now there's no pretending

Ooh, I'm sorry
I said, I'm sorry

Oh, high love in motion
Walking on the ocean of your sorrow
(I said, I'm walking on the ocean of your sorrow)
Round turned the tables
Lost, I am a man with no tomorrow

I said, why don't you write me
Call me on the phone
Say Western Union
You can find me home

I say, I'm sorry
I said, I'm sorry
