

When Something Is Wrong With My Baby

Hall & Oates

When something is wrong with my baby
Something is wrong with me and if I know she's worried
Then I would feel that same misery
We've been through so much together
We stand as one and that's what makes it better
When something is wrong with my baby
Something is wrong with me
Just what she means to me, now
Oh, you just wouldn't, you just wouldn't understand
People can't say she's no good
But oh, she's my woman and I know I'm her man
And if she's got a problem
Oh, oh, I know, I know I've got to help her solve 'em
When something is wrong with my baby
Something is wrong with me
Sing it again
When something is wrong with my baby
Something is wrong with me
