

# Keep Pushin'

Halle

Exclusive  
New Halle  
Let's go

Days keep rollin' by (Woo)  
Just tryna keep your head uplifted to the sky  
And when you get down, just get dance around like you're a child (Woo)  
I'll never let you get too low, oh (Ooh, woo)

If you could be a butterfly  
And I know God will take you far  
Life can never break your soul (Let's go)

Every day the sun don't shine, but oh  
Keep it movin', keep it movin'  
It's up to you what way you chose to go  
Keep it movin', keep it movin'  
Nothing's gonna take you down, oh  
Just let it go (Go)  
Life can never break your soul (Ah, break it down)

Keep on movin'  
Don't stop, like the hands of time (Let it rock)

Tryin' (Tryin'), prayin' (Prayin')  
Pushin' (Pushin'), Amen (Amen)  
Smilin' (Smilin'), takin' it all in  
Tryin', prayin'  
Pushin', Amen  
Smilin', takin' it in (Sun don't shine)

Every day the sun don't shine, but oh  
Keep it movin', keep it movin'  
It's up to you the way you chose to go  
Keep it movin', keep it movin'  
Nothing's gonna take you down, oh  
Just let it go (Go)  
Life can never break your soul (Woo)

Keep on movin'  
Don't stop (Woo)  
Keep on movin'  
Wake it up, oh (I like this)  
Keep on movin'  
Yeah, yeah, oh  
The time will come your way, yeah (Time will come your way)  
(Oh, let's go)

Every day the sun don't shine, but oh  
Keep it movin', keep it movin' (Woo)  
It's up to you the way you chose to go  
Keep it movin', keep it movin'  
Nothing's gonna take you down, oh  
Wherever we go (Go)  
Life can never break your soul (Woo)
