

Mysterious Ways

Halle

Ooh, ooh

Ooh, ooh

The good Lord works in mysterious ways

The good Lord works in mysterious ways

Yes, He works (I know He works), oh, He works

Yes, He works (I know He works), oh, He works

Yes, He works, oh, He works

The good Lord works in mysterious ways, oh (Ooh)

The good Lord works (Ooh)

Don't waste your time tryin' to wrassle with your worldly woe

'Cause God's watchin' over you wherever you go, yeah

If your poor back breakin' under all that weight

St. Peter's gonna lift it at the pearly gates

Let the spirit walk beside you on your darkest days

Ooh, ooh

Ooh, ooh

Oh, hey, He works

The good Lord works in mysterious ways, yeah

The good Lord works in mysterious ways

Ooh, ooh

Ooh, ooh

Oh, yeah, yeah, yeah, yeah, yeah

The good Lord works in mysterious ways (Yes, my God, He works)

Yes, He works (I know He works), oh, He works

He works in mysterious ways, yeah, woo

The good Lord works in mysterious ways

Yes, He works (I know He works), oh, He works

The good Lord works in mysterious ways

Yes, He works (I know He works), oh, He works
