

Workin'

Halle

Uh-huh
Uh-huh
Uh-huh, mhm
Uh-huh

I've been workin', and workin', and workin' (Uh-huh)
'Til the sun go down ('Til the sun go down)
See my baby there standin' on the corner (Uh-huh)
And she lookin' so fine (Lookin' so fine)
Lord, if I ever get my hands on a dollar (Uh-huh)
I bet I'd blow her mind (Bet I'd blow her mind)
'Til then I'll just keep on workin' (Uh-huh)
'Cause I ain't got time ('Cause I ain't got time)

Mm, workin', workin', workin' (Uh-huh)
I'm workin', workin', workin' (Uh-huh)
I'm workin', workin' (Uh-huh)
Lord, I'm workin', workin' (Uh-huh)

Look, I come from the dirt
Work, work hard 'til it work (Uh-huh)
The sins of the father become problems of a toddler, we Sons of Bazerk, so (Uh-huh)
We just grind, "He just fine," oh
"We outside, he not tired, yo" (Uh-huh)
PSI is 3X high, if he just die, it might catch me next time, woah (Uh-huh)
I'm a nation with no friends
I burn limitation at both ends (Uh-huh)
I'm the info smoke sends
The window the kinfolk broke in (Uh-huh)
Lots of cotton went to pocket lint
Lots of consequence and documents (Uh-huh)
Lots have gotten rich at my expense, I found a new argument for our defense (Uh-huh)
I was self made 'til the help came
Did it myself, no one else came (Uh-huh)
When I was in the rain on the L train
Generational wealth came with my plan (Uh-huh)
Bein' a man, which I am
The only thing that show you how rich I am is how I stand (Uh-huh)
The ground on which I stand
And I don't gotta think about if I can, bitch I can (Uh-huh)
Into the thick I ran
I told y'all, if I ever get my hands (Uh-huh)
On my own property, I'ma sit right here
I'll be damned, anybody ever get my land (Uh-huh)
I'ma die first, for all that it's worth
Cause and effect, I'm involved and alert (Uh-huh)
Feels like I'm in charge of the Earth
Work, work hard 'til it work, come on (Uh-huh)

Mm, workin', workin', workin' (Uh-huh)
I'm workin', workin', workin' (Uh-huh)
I'm workin', workin' (Uh-huh)
Lord, I'm workin', workin' (Uh-huh)
Workin', workin' (Uh-huh)
I'm workin', workin', workin' (Uh-huh)

I'm workin', workin' (Uh-huh)
Lord, I'm workin', workin' (Uh-huh)
