

# I Got A Woman

Johnny Hallyday

Well I got a woman  
Way out of town  
She's good to me, oh yeah  
Say I got a woman  
Way out of town  
She's good to me, oh yeah

Well she's my baby  
Don't you understand  
Yeah I'm her loving man  
You know I got a woman  
Away cross town  
She's good to me, oh yeah

Well she's there to love me  
Both day and night  
Never grumbles or fusses  
Oh treat me right  
Never running in the street  
Leaving me alone  
She knows a woman's place  
Right down in her home

I got a woman  
Way out of town  
She's good to me, oh yeah  
Say I got a woman  
Way out of town  
She's good to me, oh yeah

Well she's my baby  
Don't you understand  
Yeah I'm her loving man  
You know I got a woman  
Away cross town  
She's good to me, oh yeah

Well she's there to love me  
Both day and night  
Never grumbles or fusses  
Oh treat me right  
Never running in the street  
Oh leaving me alone  
She knows a woman's place  
Right down in her home

I got a woman  
Way out of town  
She's good to me, oh yeah  
Say I got a woman  
Away cross town  
She's good to me, oh yeah  
She's there to help me  
When I'm in need  
Yes she's the kind  
Of a friend in need  
You know I got a woman

Away cross town  
She's good to me, oh yeah

I know she knows she's all right  
She's all right  
She's all right  
All right she's all  
She's all right  
All right  
I know she knows  
She's all right  
I know she knows she's all right  
Yeah all right all right  
Yeah all right
