Your little brother never tells you but he loves you so You said your mother only smiled on her TV show You're only happy when your sorry head is filled with dope I hope you make it to the day you're 28 years old

You're dripping like a saturated sunrise You're spilling like an overflowing sink You're ripped at every edge but you're a masterpiece And now you're tearing through the pages and the ink

Everything is blue His pills, his hands, his jeans And now I'm covered in the colors Pulled apart at the seams It makes me blue It makes me blue

Everything is grey His hair, his smoke, his dreams And now he's so devoid of color He don't know what it means And he's blue And he's blue

You were a vision in the morning when the light came through I know I've only felt religion when I've lied with you You said you'll never be forgiven 'til your boys are too And I'm still waking every morning but it's not with you

You're dripping like a saturated sunrise You're spilling like an overflowing sink You're ripped at every edge but you're a masterpiece And now you're tearing through the pages and the ink

Everything is blue His pills, his hands, his jeans And now I'm covered in the colors Pulled apart at the seams It makes me blue It makes me blue

Everything is grey His hair, his smoke, his dreams And now he's so devoid of color He don't know what it means And he's blue And he's blue

Everything is blue Everything is blue Everything is blue Everything is blue

You were red and you liked me because I was blue You touched me and suddenly I was a lilac sky And you decided purple just wasn't for you
