

# Hopeless

Halsey

Boy, you make it look so easy  
Promise that I'm gonna call you back in five  
Sorry baby girl, but I can't tonight, oh  
Boy, you make it look so simple, mm  
Yeah, I've known that girl for like my whole life  
Back in my hotel and I'm alone inside, oh

'Cause you know the truth hurts  
But secrets kill  
Can't help thinkin' that I love it still  
Still here, there must be something real  
'Cause you know the good die young  
But so did this  
And so it must be better than I think it is  
Gimme those eyes, it's easy to forgive

Oh-oh-oh  
Oh-ooh  
Oh-oh-oh  
Oh-ooh  
Oh-ooh  
Oh-ooh  
Oh-oh-oh-oh  
Oh-ooh

You and all your friends all hate me, oh  
Thinkin' that you're better when I'm not around  
Hear me on the radio and turn it down, oh  
I can't help the way you made me  
Hope that she believin' in the truth you found  
Thinkin' that you want us 'cause I can't find out, oh

'Cause you know the truth hurts  
But secrets kill  
Can't help thinkin' that I love it still  
Still here, there must be something real  
'Cause you know the good die young  
But so did this  
And so it must be better than I think it is  
Gimme those eyes, it's easy to forgive

(Oh-oh-oh)  
(Oh-ooh)  
(Oh-oh-oh)  
I hope hopeless  
(Oh-ooh)  
Changes over time  
(Oh-ooh)  
I hope hopeless  
(Oh-ooh)  
Changes over time  
(Oh-ooh)  
I hope hopeless  
(Oh-oh-oh-oh)  
Changes over time  
(Oh-ooh)
