

Made In USA

Hämatom

Come I'll take you by the hand
And welcome you to wonder land
The Stars'n stripes are standing watch
Please have a look but you may not touch
We're great again shout it out loud
Celebrate some school shoot outs
Protect the freedom for this we stand
With guns in our cold dead hands

We offer liberty and the N.S.A.
Made in made in U.S.A.
Martin Luther King and the Ku-Klux-Klan
Made in made in U.S.A.
Slavery and yes we can
Made in made in U.S.A.
Donald Trump and J.F.K.
Made in U.S.A.

The wheel of fortune is a wheel that keeps spinning
Hope and change gave way to winning unless
It all comes crumbling down
We'll always be the biggest game in town
So go ahead, make my day
Try to take our rights away
Prepare to have your pussy grabbed
If you wanna mess with uncle Sam
