

MF Crazy

Hämatom

I love to waste my time
I'm bored of healthy life
I'm uglier than your mother
Got couple goals with your wife
I like destroying things
Buckets of chicken wings
Low carb, straight edge, PC
That's not for me

I like big bitch and fast cars
Cheap drinks and filthy bars
Fuck your work-life balance
I'm busy with the smoking challenge
No beauty queens, no abs
Drink smoothies with a schnapps
I don't wanna hit the gym
Celebrate Jim Morrison

Shirts off, hands up
This is how we roll
The devil whispers
'Now it's time to sell your soul'
Shirts off, hands up
Follow our call
Total escalation, out of control

People say I'm fucking crazy, crazy
Hell yeah, I'm motherfucking crazy, crazy
Everybody, let's go fucking crazy, crazy

So sick of hipster hypes
I hate your positive vibes
Screw your selfcare story
Oh no, I don't feel sorry
Life is no bubble bath
Use hashtag psychopath
I don't want your promo code
I wanna see your heads explode

Shirts off, hands up
This is how we roll
The devil whispers
'Now it's time to sell your soul'
Shirts off, hands up
Follow our call
Total escalation, out of control

People say I'm fucking crazy, crazy
Hell yeah, I'm motherfucking crazy, crazy
Everybody, let's go fucking crazy, crazy

No vitamins, no minerals
They won't prevent your funeral
Celebrate the laziness
Drink more, work less

North, South, West and East

United with revolting beasts
Join us, no questions asked
Escalation, behind, behind the mask

Shirts off, hands up
This is how we roll
The devil whispers
'Now it's time to sell your soul'
Shirts off, hands up
Follow our call
Total escalation, out of control

People say I'm fucking crazy, crazy
Hell yeah, I'm motherfucking crazy, crazy
Everybody, let's go fucking crazy, crazy
