

Pin Me Down

Hämatom

Má rohatá paní
Žhavá až se tají dech
Konečně jsem živej, když mě polechtáš
Bičem po zádech

Má rohatá paní
Všechno mi sebrat, všechno dát
Harpyje jsi a zlobivej kluk
Zaslouží potrestat

Pin me down, down
Pin me down, down
Pin me down
That's what I call love
Drag me down, down
Drag me down, down
Drag me down
Yes, I like it rough
We don't need a safe word, my life is in your hands
Please push me down, down
Push me down, down
Push me down
No I can't get enough

My dark little mistress
Your eyes are darker than the night
Even with your noose around my neck
You fill the emptiness inside

My dark little mistress
You're a savage born in hell
Even if I have to kiss your boots
It makes me feel so well

Pin me down, down
Pin me down, down
Pin me down
That's what I call love
Drag me down, down
Drag me down, down
Drag me down
Yes, I like it rough
We don't need a safe word, my life is in your hands
Please push me down, down
Push me down, down
Push me down
No I can't get enough

Muč mě bij mě znič mě skryj mě
Je tak krásný do klína ti krvácet
Muč mě bij mě znič mě skryj mě
Jakoby to bylo naposled

Pin me down, down
Pin me down, down
Pin me down
That's what I call love

Drag me down, down
Drag me down, down
Drag me down
Yes, I like it rough
We don't need a safe word, my life is in your hands
Please push me down, down
Push me down, down
Push me down
No I can't get enough

No I can't get enough
You know

We don't need a safe word, my life is in your hands
Please push me down, down
Push me down, down
Push me down
No I can't get enough
