HammerFall

Tick-tock, time is marching on
Better close them tired eyes
Once a wizard, star, of Arabia
Once a soldier aiming high

Knock, knock who's there? Leave me be
It's a life based on my own decisions
Let me find my fields of Elysium
Where all my darkness fear to tread

Dream of dragons, fairy maids
Slay the hydra, swing the blade
Fear the perils, but beware
Of the Sirens

Na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na-na
Na-na-na-na-na, na-na-na-na

Hells bells, glory bells let them toll
Ain't no calling for your resurrection
Scarry night flights, troubled lullabies
Dream away, on your wings of steel

Stomp, stomp, Bang! Bang! Not a sound
No parade to guide you of its passing
You know that one day you turn away and it's gone
While the endless time continue massing

Time's too slow for those who wait
Close your eyes and trust your fate
Time's too long for those who grieve
Never-ending

Na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na-na
Na-na-na-na-na, na-na-na-na

Na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na
Na-na-na-na-na
Na-na-na-na-na-na-na
Na-na-na-na-na, na-na-na-na
