

I get nervous in crowded spaces  
Around unfamiliar faces  
When I'd rather be alone

I probably shouldn't be trying to carry a conversation right now  
I never know what I'm supposed to say out loud

Maybe I'm burned out  
Maybe I'm just tired  
Maybe I'm played out  
Weighed down by the way I'm wired

I get anxious when you get quiet  
Like the ending's been decided  
'Cause I feel the weight of expectation on my shoulders

I probably shouldn't be trying to carry a conversation right now  
I never know what I'm supposed to say out loud

Maybe I'm burned out  
Maybe I'm just tired  
Maybe I'm played out  
Weighed down by the way I'm wired  
Maybe it's my fault  
Maybe I'm ashamed  
What if I fade out  
Will you all forget my name?

Maybe I'm burned out (Maybe I'm burned out)  
Maybe I'm just tired  
Maybe I'm played out  
Weighed down by the way I'm wired  
Maybe it's my fault (Maybe it's my fault)  
Maybe I'm ashamed  
What if I fade out  
Will you all forget my name?

Maybe I'm just tired  
Maybe I'm just tired  
Maybe I'm just tired  
Maybe I'm just tired  
Maybe I'm just...
