A Day In The Life

Handsome Boy Modeling School

Aiyo, slipperly slurp slip, nigga, churped off, two sniffs of cocaine This motherfucker broke the glass in my whip
Tryna dip, on this twenty dollar bill I had on my dashboard
And police is asking me son, why I whoop his ass for
Save y'all two hours of paperwork, my neighbor lurk
Watchdog, chew ass out, son, and put in major work
We collect antique ammunition's, and plus
We got them big guns, you only see in science fictions
My Uncle Cuffie's the chief, but my little, knucklehead
Cousin Mar', yeah, son, is a thief
And we gave him a job, making three hundred a week
But he slipped on my piece, now he's back in the streets

How many times have you let your tongue go slip
From the grin in your teeth and the cracks of your lips
I never heard such nerve before
But you better spill slowly through the cracks of my pores
Just to please you honey, just to please you honey
And how many times have you let your tongue go slip
From the grin in your teeth and the cracks of your lips

A.G. is King like Tutankhamen or Haile Selassie Body the party, watchin' for niggas tryin' to Pac me Or Biggie Smalls me, come on, please With these gemstars, I'm Jason Vorhees A's loose, so much pain inflicted, remain addicted Carry microphones, with the Passion of Je-sus It's Flamboyant for life, nigga, throw those L's up Ain't millionaires, by this year, then catch us in 12 months Now who's fuckin' with Andre? A beast on the east, love on the west, ask Kanye Still Diggin' motherfucker, it's that plain and simple G.D. til' my heart beat, discontinue On the ave., til every soul in the ghetto is gone Where niggaz sell more rock than heavy metal songs Anything you want to know, then read E2K Fuck with A, and get broke up like B2K, cause

Aiyo, aiyo, 'cause I'm the piece, the magnetic, I'm not the weak and patheti $\ensuremath{\mathtt{c}}$

Sometimes, inside my rhymes, you hear words that perfected Master your Hung Gar, five animal form Kung Fu Thunder the Barbarian sword, being swung Wu-Tang, invincible blade, thrust to parry Up the Temple steps, much water got carried In this industrious world, meet the illustrious Uncombustional, give props like Doctor Huxtable Knew many men, only trust a few Women, love the few, mention Wu-Wear linen, rugged blue God-you's, I tuck a few, known to smash out a club or two And represent the worldwide W

Oh, oh, your veins, may call, in sweat, for blood
Your veins, may call, in sweat, for blood
Your veins, may call, in sweat, for blood
Feed you the flesh of men, so you can see end again
