Julie Cruise :

Yes, I got it all

Prestige, class, fortune

Good help is so hard to find

Except my tennis pro

(I'd ask but that's a no)

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

I give to many charities

It's just a tax write off

They breed, just like rats it seems

Why don't they get a job

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

I mean really it's so simple for them

I mean we're the ones paying the rent

And the food and..all the taxes

My God what more do they want

Money Money Money Money Money

Money Money Money Money Money

It makes the world go round

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

They're all trapped in the system

Unbeknownst to them they're trapped with no glass

Hello there

I was bred to be special

You're not one of us

So don't try to fit in

We'll just laugh you away

I get meloncholy sometimes

My shrink says I'm repressed

I'm just like my mother I guess

Same class, wealth...bland husband
